### **Seminar on: Future of Anti-Aging Medicine for Doctors & Health / Aesthetics Professionals (Pre and Post Treatments for Surgical & Dermatological Intervention)**

Anti-Aging Medicine has so far centered around surgical intervention (Plastic Surgery) and Dermatological Intervention (Topical Procedures) to create an Anti-Aging effect. However over period of time the body and its organs continue to age unabated with corresponding deterioration in overall appearance of the body.

Mr. Pramod Vora, Holistic Educator and Health Counselor to Doctors from California, USA is presently in India. He is an International Faculty Member for Anti-Aging Medicine for many International Organizations and has presented numerous papers for IMCAS, Paris A4M, USA, Tutorials in Aesthetic Surgery Masters' Course, the Ministry of Health in India and also has had the privilege to Chair some of these sessions. He has conducted more than 30 Seminars in India for Doctors on various topics of medical interest during the last decade. He will be conducting this one day Seminar and sharing information on **Pre and Post Treatments to Surgical & Dermatological procedures to enhance and maintain the good effects of these invasive procedures.** Topics covered: longevity, aesthetics and overcoming chronic diseases like Hypertension, Diabetes, Cardiac Diseases, Hormonal Imbalances including Hypothyroidism, Andropause, Erectile Dysfunction, Prostate Enlargement, Menopause, Obesity etc. to achieve true Anti-Aging. This is supported by Pathological Tests / Clinical Studies to prove beyond doubt the concept of Anti-Aging Medicine.

He will be covering topics like:

- 1) Detoxification of various organs like the Colon, Kidneys, Liver, Lungs, Skin Blood, etc,
- 2) Rejuvenation of various organs including Liver, Digestive tract, etc.;
- 3) Intracellular Nutrition – Orthomolecular Medicine for treatment of numerous chronic ailments like Hypertension, Diabetes, Hypothyroidism, Hormone Imbalance for Males / Females, Obesity, etc.
- 4) Whole Body Sculpting with Medical Causes of Obesity including Body Fat and Visceral Fat Monitoring, and the Treatment of Obesity using Intracellular Nutrition; and
- 5) Intracellular Nutrition in Cosmetics for Anti-Aging Skin & Facial Rejuvenation.

**Seminar will be held from 10:00 am onward till 5:00 pm on:  
Sunday March 01<sup>st</sup>, 2009 at Best Western Hotel (Emerald Hotel), Juhu, Opp. Hotel Sea Princes  
(Free sandwiches during Lunch Break and tea/coffee & biscuits in the morning / during tea breaks).**

**Guest Speaker: Dr. Sharad Shah, M.B.B.S., F.R.S.M. (London), Lilavati Hospital.**

**Guest Invitees: Board Certified Plastic Surgeons: Dr. Satish Arolkar & Dr. Neeta Patel**

Those interested are requested to **RSVP Mr. Subhash Umbarkar Tel: No. 2850-3986 / 2850-8653 as soon as possible to avoid disappointment (Please let us know if you would also like to be kept informed about future Seminars on other health topics)**
