Health Care - Naturally !

This is a hand held user friendly, professionally designed, Colloidal Gold Generator. It is so safe that it can produce Nano Gold right in your own kitchen. No dangerous high voltages, chemicals or laboratories are required. Nano Gold doses are accurately controlled by a highly advanced ppm controller. An investment worth making for the whole family. Portable machine to carry with you where ever you go.

Gold finds multiple uses: for health, longevity and even as cosmetics.

We are a non-profit research organization, and should you decide to invest in one of our generators, the funds will go towards further research for the benefit of mankind.

Kits	** Cost
Colloidal Gold Kit with 99.99% Gold Electrode (medical grade) Model: GS1 – (1 to 15 ppm) - 4.0 oz. / 120 mL	\$ 1450.00
Extra Gold Electrode 99.99% (medical grade)	\$ 750.00
Heavy Duty MonoAtomic Gold Kit - 10 to 100 ppm Model: GHD1–0.5, 1.0 and 4.0 liters / hour (for commercial / industrial applications) Also special generators with range up to 500 ppm	\$ Please enquire by e-mail with details of your specific application – cosmetics, pharmaceutical, food supplements, etc.
Heavy Duty Gold Electrode (medical grade)	\$ each for heavy duty type

Our line of professionally designed colloidal / nano gold generators have been passionately developed over the last two decades of extensive research and supporting case studies. So please do help spread the word around.

* Tested for Bacterial, Fungal and Viral loads by an independent Lab accredited by CAP (College of American Pathologists).

For more information, please visit: <http://www.space-age.com/silver.html> and <http://www.space-age.com/gold.html>

** Cost is in US Dollars and does not include SHP (shipping, handling and processing), taxes, duties, etc.

*** Also available special generators for Nano Silver, Nano Copper and Nano Zinc.
